

PROCEDURE FOR VERIFYING DATE OF BIRTH & PROCEDURE FOR CHALLENGING DATE OF BIRTH (DOB)

League President shall use the following procedure when verifying DOB.

1. Parents are required to produce an official Birth Document indicating the DOB when registering their child in the league for the first time. League Presidents either view this document or can designate a person to accomplish this task.
2. When completing the Regular Season Rosters for submission to SI, presidents certify the players age and that all aspects of the roster are accurate.

Procedure for answering a claim by another league about the DOB of a player:

1. League President must file the complaint to the District Commissioner.
2. District Commissioner will then notify the League President of the league in question that it will be necessary for them to produce an **Official Birth Document** which indicates the DOB of player(s) in question.
3. District Commissioner will notify League President filing the complaint that they must produce Birth Documents for their player(s) as well, equal to the number of player(s) they requested.
